

Chadd Padd Refueling Bib

Protect your boat and environment

Keeping diesel, gasoline and oil from damaging a vessel's surfaces and polluting waterways is now incredibly simple. The new, patented Chadd Padd enables boat owners to be proactive, not just reactive. As a multi-purpose spill response solution, this reusable mat catches and contains fuel before it becomes a problem.

Providing a 10-inch square space of fuel-absorbing power, the waterproof Chadd Padd is anti-static treated and can hold up to 4.5 ounces of petroleum products. Made of the same material marinas are required to have for Spill Prevention, Control and Countermeasure (SPCC) requirements, the effective pad saves owners fines and the hassle of cleanup.

The Chadd Padd can be used multiple times for a variety of applications. With a perforated, partial hole design, it accommodates most filler ports for refueling or adding oil. The pad can also be employed as a drip mat, in the bilge before pump-out or when working with hydraulic fluid. It's even disposable, in accordance with applicable regulations.

The economical Chadd Padd has a suggested retail price of \$9.95 for a convenient six-pack, while a roll of 36 pads is \$34.95. Enter promo code EZFUEL8 at www.chaddpadd.com to save 10 percent. Larger sizes, greater quantities, dispensers and other accessories are also available.

For more information on the Chadd Padd call 888-EZ-FUEL-8 (888-393-8358) or visit www.chaddpadd.com.

Win \$50

Just for bringing your video camera along

Make sure you take your video camera along for your next boating adventure and it could make you \$50 richer.

At PDB magazine we're looking for unique video clips that are specific to our niche style of boating. We're adding new videos and other great features to our digital version of our magazine and we need your help. Visit www.pdbmagazine.com for more information on our online version of our magazine and who knows, your family video just might make our top pick.

If your video is selected you win \$50. Just send your videos to the email address: PDB@pdbmagazine.com and you could be our next winner.

Speed Up Your Pontoon!

Pontoon Water Glide Increases:

- Speed up to 46%
- Fuel efficiency up to 57%
